Iva, July 7.-Special.-The glorious Fourth passed off queltly, no one hurt, no one shot or cut, not even a sight of the bear. Some of the young folks "picnicked" at Burress Mill on Wilson creek and some at Price's Mill on Rocky River and came home through the rain water soaked, although the "weather man" had promised clear weather for the Fourth. We were glad however, that he missed it as the rain was needed and we did not mind the soaking.
